Project Updates

Tuesday, June 20: A community meeting for the Downtown Estes Loop Project will be held on Tuesday, June 20 from 4 p.m. to 6 p.m. in the Estes Park Town Hall Board Room at 170 MacGregor Avenue. A presentation will be given by the prime contractor, Flatiron Constructors, Inc. Break out tables to answer individual questions will then be staffed with the prime contracting team and all the project partners including the Federal Highway Administration Central Federal Lands Highway Division, the Town of Estes Park and the Colorado Department of Transportation.

Week of June 19: Xcel Energy's contractor, Mears, will continue to work in the area with intermittent one-lane closures. Flatiron Constructors, Inc. will continue to work on W. Riverside Drive doing storm sewer, sidewalk, curb and gutter. At Crags Drive, excavation will continue for the new retaining wall and sub-grade as well as work on the joint trench.

Thursday, June 15 (11 a.m.) — Xcel Energy's contractor, Mears, hit a gas line on E. Riverside Drive. The extend is unknown at this time but the road is closed until further notice. **(2:00 p.m.)** — E. Riverside Drive is currently open in a one-way configuration with flaggers.
